

REMARKS

In the Office Action dated April 10, 2006, the Examiner rejected claims 1-20 under the doctrine of obviousness-type double patenting in view of U.S. Patent No. 6,747,855 to Kumar.

Applicants respectfully submit that the double-patenting rejection has been overcome by the Terminal Disclaimer which is being filed contemporaneously with this Response, disclaiming the terminal part of the patent grant that would extend beyond the statutory term of U.S. Patent No. 6,747,855.

Applicant believes that the foregoing response places the application in condition for allowance, and a favorable action is respectfully requested. If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles telephone number (213) 488-7100 to discuss the steps necessary for placing the application in condition for allowance should the Examiner believe that such a telephone conference would advance prosecution of the application.
